

MEETING 2 nights

AMSTERDAM

One of the greatest small cities in the world, Amsterdam is a wonderful place to meet. The 'Dam on the River Amstel' coaxes visitors with an alluring blend of grandeur and culture. With world famous museums, historical sights and international restaurants, Amsterdam has all the advantages of a big city but its quiet and thanks to its canals, very accessible.

Day One:

Morning - Arrival and meeting

After a warm welcome at Amsterdam Schiphol Airport and luxury transfer to the hotel of choice, business meeting commences in one of the elegant conference suites concluding with private lunch

Afternoon - Rembrandt van Rijn workshop

Often referred to as 'The Master', Rembrandt van Rijn is Amsterdam's most famous painter. This afternoon guests have the opportunity to match his revered painting skills. During a 2 hour workshop guests, in pairs, are tasked with the challenge of reproducing a designated part of 'De Nachtwacht' masterpiece – perhaps the sum of the efforts will exceed the original? After all, it holds the passion and dedication of not just one person but a group!

Evening - Dinner at "The Rembrandthuis"

After an afternoon spent working in the Rembrandt style what better way to spend an evening than in his former residence? Home to the painter between 1639 and 1658, the sympathetically restored house is a wonderful setting for a luxurious dinner. There's a surprise in store for guests later – the disclosure of the painting which they created that afternoon.
