Suggestions

Do you have a successful project, a great lesson learned or a specific topic in project management you would like to see published in the PMI Asia Pacific e-Link?

Send us your idea!

Making project management indispensable for business results.®

About the *PMI Asia Pacific (AP) e-Link*

The *PMI Asia Pacific (AP) e-Link* is a membership benefit that reaches over 62,000 PMI members and counting in the Asia Pacific region.

Sent on every first Wednesday bi-monthly, the *AP e-Link* is a newsletter offering current PMI news, short features on best practices, project management trends, local news and community events in the Asia Pacific region.

We Want to Hear from You!

The *AP e-Link* welcomes articles from project professionals to share on successful projects, great lessons learned and more. If you have a specific topic in project management that you would like to see published in the *AP e-Link*, let us know!

Send us your and ideas to ap-mlink@pmi.org today!

Not Receiving the *AP e-Link*?

If you are a PMI member in the Asia Pacific region but are not receiving this membership benefit, update your preferred valid e-mail address on *myPMI* at PMI.org today!
